## MISSION STATEMENT

---

The mission of Harmony Theater is to create, support, and offer opportunities for adults with developmental disabilities to participate in the performing arts for self-expression, social interaction, and connection to the surrounding community.

## WHO WE ARE

---

Harmony Theater provides a creative performance environment to enrich the lives of adults with developmental disabilities. Harmony Theater has two productions each year. Each fall there is a concert featuring the vocal talents of our actors. In the spring, we produce a musical that combines the actors' acting, vocal, and dancing abilities.

Through weekly Saturday rehearsals, activities, and events, Harmony Theater participants enjoy a safe, nurturing, and creative environment where they can build friendships, and enhance their social and life skills.

Harmony Theater began in 1994 as a performing arts collaborative sponsored by Gwynedd Mercy College, Indian Creek Foundation, and the Developmental Enterprises Corp. In 2013, Harmony Theater Inc. became a public, non-profit 501(c)(3) corporation. Harmony Theater, Inc. currently rehearses and performs at the Episcopal Church of the Messiah in Lower Gwynedd, PA.

## INTERESTED IN JOINING?

---

Actors who participate in Harmony Theater are over age 18 and have left high school, desire to participate in the performing arts and have a developmental disability. Rehearsals are held on Saturday mornings from 9:30 AM – 12:30 PM, September through May each year.
